

The European House - Ambrosetti is a professional Group, with 280 professionals, operating since 1965, which has grown significantly over the years, thanks also to the contributions of many of its Partners, developing numerous activities in Italy, Europe and the rest of the world.

Today the Group has three offices in Italy and many abroad, in addition to other partnerships around the world. What distinguishes it is its ability to provide support to companies in the integrated and synergic management of the four critical aspects of value-creating processes: **Seeing, Planning, Achieving and Optimizing**. For over 50 years we have been working alongside Italian businesses and each year we provide consulting to about 1,000 clients, including more than **two hundred strategic scenarios and studies** aimed at Italian and European institutions and companies, and around one hundred and twenty governance pacts for family-run businesses. In addition, each year about **3,000 Italian and international experts** are involved in the **500 events** we organize for over 10,000 managers whom we follow in their personal and professional paths to growth.

For the eighth consecutive year, The European House – Ambrosetti was named – in the category Best Private Think Tanks – the **no. 1 think tank in Italy, the no. 4 think tank in the European Union and among the most respected independents in the world out of 11,175 on a global level** in the latest “Global Go To Think Tanks Report” of the University of Pennsylvania. The European House - Ambrosetti was recognized by Top Employers Institute as one of the 112 Top Employers 2021 in Italy.

The European House - Ambrosetti has **specific expertise in the healthcare sector** with a dedicated professional practice, which for over 15 years has been developing different types of projects for all the players (both public and private) of the healthcare sector. In particular:

- Position paper, policy brief, strategic studies on key issues of healthcare;
- Forums, workshops and roundtables at national and regional level, involving the most important stakeholders of health care sector;
- Consulting activities assisting companies in intelligence activities, scenario creation and support to the definition of growth strategies, positioning and institutional communications.

In 2005, the **Meridiano Sanità think tank** was founded with the aim of creating a platform for dialogue with more than 100 healthcare stakeholders to develop strategic reflections and stimulate dialogue on the future of healthcare in our country. Today Meridiano Sanità is recognized as a distinctive platform at national and regional level by policy makers and practitioners that produces analysis and policy recommendations.
