Biotech Plant Lab of Beira Interior

The Biotech Plant Lab of Beira Interior, within the Portuguese Scientific and Technological System, was established under a cooperation agreement among the Polytechnic Institute of Castelo Branco, the Municipality of Fundão, the University of Beira Interior (Covilhã) and the University of Campinas, Brazil. Moreover, the Biocant Park in Cantanhede is a partner of the Center.

Mission

It aims to carry out research in the field of plant biotechnology in partnership with the agricultural, forestry, and aromatic and medicinal plants sectors.
